Dear Mr. Clark:

Information furnished us indicates that you have been sending industrial waste (Ford Company product) to Skinner's dump in West Chester.

I am sure that you know and realize that such action violates the regulations of the Butler County Board of Health which specifically prohibits dumping of industrial waste in this County without direct consent of this Board of Health.

Any further violation will be dealt with accordingly,

Yours truly,

Louis W. Gaker, M.D.  
Commissioner of Health  
Butler County Health Department
